

Whitworth Careers Programme

Whitworth is working to achieve 100% on the 8 Gatsby Careers Benchmarks that define world class careers guidance

We want to prepare young people for working life and equip them with the tools required to make well informed and aspirational career decisions. Together we can achieve this by ensuring young people are aware of; their skills, abilities and potential; their options, the world of work and how to capitalise on opportunities; how to link this knowledge and understanding together to facilitate successful career planning.
